Q.51 After hearing elements of both plans, which health care plan do you support more:

A Democratic plan that would guarantee affordable health insurance for all Americans. This plan would lower costs throughout the system, and allow people to choose between their current coverage or several private and public insurance options. Critics say this plan will cost too much and lead to higher taxes and government-run health care.

Or

A Republican plan that would offer people tax credits and savings accounts to purchase private insurance and lower their costs in the private market. This plan would not require more government involvement in health care. Critics say this plan will leave millions of people without coverage or at risk of losing it and will only help wealthier Americans.

53 (UNIVERSAL COVERAGE) (SPLIT E) Even though we are the richest and most powerful country in the world, 47 million Americans lack health insurance. We have a moral obligation to change that and our plan does. We will make sure every man, woman and child has coverage they can afford.

[200 Respondents]								
55 (COST) (SPLIT F) Our plan will drive down costs by modernizing the system, preventing disease, and squeezing out wasteful spending. And, it will make premiums affordable for families by limiting premium payments for basic health coverage to a fixed percent of family income.

[200 Respondents]								
59 (INDIVIDUAL CHOICE) (SPLIT F) It's your health, you should make your own health care decisions. Our plan empowers Americans to make their own choices so families can purchase as much or as little private insurance as they need.	17	28	15	10	27	3	45	60

[200 Respondents]								
60 (TORT REFORM) (SPLIT E) Because of the explosion of frivolous lawsuits by unscrupulous trial lawyers, many doctors have been forced to practice costly defensive medicine or leave the practice of medicine altogether. By ending lawsuit abuse, we will bring the cost of medicine down and allow doctors to get back to work.	32	20	14	12	19	3	52	66

[200 Respondents]								
61 (AFFORDABILITY) (SPLIT F) Under our plan, if your family buys its own healthcare you can deduct \$15,000 automatically from your taxes. [200 Respondents]							
63 (INDUSTRY) (SPLIT F) The Republicans have taken millions of dollars from the big insurance companies. 64 (RISK AND GREED) (SPLIT E) The Republican plan would create an every-man-for-himself system dominated by profit and greed. [200 Respondents]							
65 (DOESNT FIX PROBLEM) (SPLIT E) The Republican plan doesn't actually fix the problem. It won't provide coverage for the 47 million Americans without insurance and it won't reduce costs for the average American. 67 (SCHIP VETO) (SPLIT F) The Republican plan will do nothing to cover the millions of American children without health insurance. 71 (HIGHER TAXES) (SPLIT F) The Democrats' plan will cost over 100 billion a year. They admit that, to pay for it, they will raise taxes. This means you will end up paying more, not less, for health care.	24	27	25	21	2	51	46

72 (HILLARYCARE) (SPLIT E) Everyone remembers what happened the last time Democrats tried to overhaul our health care system.
