Q.51 After hearing elements of both plans, which health care plan do you support more:

A Democratic plan that would guarantee affordable health insurance for all Americans. This plan would lower costs throughout the system, and allow people to choose between their current coverage or several private and public insurance options. Critics say this plan will cost too much and lead to higher taxes and government-run health care.

Or

A Republican plan that would offer people tax credits and savings accounts to purchase private insurance and lower their costs in the private market. This plan would not require more government involvement in health care. Critics say this plan will leave millions of people without coverage or at risk of losing it and will only help wealthier Americans.

52 (SECURITY) (SPLIT E) In our current system, even if you have health insurance and a good job, it's too easy for you to lose your coverage at any time. [250 Respondents]								
53 (UNIVERSAL COVERAGE) (SPLIT E) Even though we are the richest and most powerful country in the world, 47 million Americans lack health insurance. We have a moral obligation to change that and our plan does. We will make sure every man, woman and child has coverage they can afford.	38	22	8	6	24	2	59	67

[250 Respondents]								
54 (BUREAUCRACY / CHOICE) (SPLIT F) Our plan builds on the private system we now have. It keeps you in charge of your own health care by preserving full choice of your plan and your doctor, and it does it without creating any new government bureaucracy.	27	35	12	9	15	3	61	73

[250 Respondents]								
55 (COST) (SPLIT F) Our plan will drive down costs by modernizing the system, preventing disease, and squeezing out wasteful spending. 56 (DISCRIMINATION) (SPLIT E)

Under the current system, Americans are at the mercy of the insurance companies. In most states, they can deny you coverage or jack up your premiums if your needs threaten their high profits. Our plan gives the power back to the American people and prohibits insurance companies from discriminating and denying coverage.....

57 (BUSINESS) (SPLIT F) American businesses understand that our health care system is in need of fundamental reform because they are bearing much of the burden of the broken system. [250 Respondents]								
59 (INDIVIDUAL CHOICE) (SPLIT F) It's your health, you should make your own health care decisions. Our plan empowers Americans to make their own choices so families can purchase as much or as little private insurance as they need.	20	28	16	8	23	4	48	65

[250 Respondents]								
60 (TORT REFORM) (SPLIT E) Because of the explosion of frivolous lawsuits by unscrupulous trial lawyers, many doctors have been forced to practice costly defensive medicine or leave the practice of medicine altogether. By ending lawsuit abuse, we will bring the cost of medicine down and allow doctors to get back to work.	35	24	9	5	23	4	58	68

[250 Respondents]								
61 (AFFORDABILITY) (SPLIT F) Under our plan, if your family buys its own healthcare you can deduct \$15,000 automatically from your taxes. That will mean real financial relief and make health insurance more affordable for American families struggling with high health care costs.	22	30	15	9	20	5	51	67

62 (BUSH) (SPLIT E) Republicans are just offering more of George Bush's failed policies. Rather than offer meaningful solutions, the Republican plan is to wait around for the health insurance industry to magically fix itself while millions of Americans continue to suffer.	21	29	20	28	2	50	48
[250 Respondents]							
63 (INDUSTRY) (SPLIT F) The Republicans have taken millions of dollars from the big insurance companies. 64 (RISK AND GREED) (SPLIT E) The Republican plan would create an every-man-for-himself system dominated by profit and greed. 65 (DOESNT FIX PROBLEM) (SPLIT E) The Republican plan doesn't actually fix the problem. It won't provide coverage for the 47 million Americans without insurance and it won't reduce costs for the average American. 67 (SCHIP VETO) (SPLIT F) The Republican plan will do nothing to cover the millions of American children without health insurance. 71 (HIGHER TAXES) (SPLIT F) The Democrats' plan will cost over 100 billion a year. They admit that, to pay for it, they will raise taxes. This means you will end up paying more, not less, for health care.	27	23	23	25	2	50	48
[250 Respondents]							
72 (HILLARYCARE) (SPLIT E) Everyone remembers what happened the last time Democrats tried to overhaul our health care system.
